EDUCATION

NATIONAL ENGINEERING COLLEGE

CGPA : 8.28

2022-2026

Bachelor of Computer Science and Engineering

HSC

KCAD MATRICULATION SCHOOL

Percentage : 92

2021-2022

SSLC

KCAD MATRICULATION SCHOOL

Percentage : 83.6

2019-2020

SKILL

- Java , C
- React , NodeJs
- UI/UX Design
- HTML , CSS , JavaScript
- MySQL , Firebase

PROJECTS

Institutional Placement Data Management System

[React , NodeJs ,ExpressJs ,MySQL]

It organizes and tracks student placement records, including job offers, company details, interview progress, student performance, and eligibility status, while also generating insightful reports and providing real-time updates for streamlined placement management.

Pantry Tracker

[HTML , CSS ,JavaScript , Firebase]

A comprehensive tool for managing inventory, tracking expiry dates, generating shopping lists, minimizing food waste, and sending timely notifications—designed to optimize household grocery management with real-time updates and intuitive user interface.

INTERNSHIPS

- Mistral Solutions (Web Development)
- Codsoft (UI/UX)
- WSA academy (Web development intern)

ACHIEVEMENTS

- 1st Place – Code Debugging Contest, National Engineering College
- 3rd Place – Poster Presentation, National Engineering College
- Frontend Developer in the College Symposium Website Creation Team

CERTIFICATIONS

EXTRA CURRICULAR ACTIVITIES

- C Programming (Sololearn)
- Database management system (Infosys springboard)
- AI for everyone (Coursera)
- Volunteer – National Service Scheme (NSS)
- Coordinator – Technical Events, College Symposium
